**Ford Fact:** Along with the affordable Model T, Henry Ford dreamed of flying being accessible to all households and to someday have their own plane parked in the driveway. In 1926 a prototype of a plane called the Flivver was made, no more than 5 prototypes were built by 1928. While test-piloting the Flivver in 1928, pilot and friend Henry Brooks was killed in Florida and the project was abandoned.

### MARCH 2024 NEWSLETTER

Nebraskaland Model T and Antique Car Club members met on Saturday, February 10<sup>th</sup> to eat soup and stew with all the fixings along with a meeting and officer elections. We enjoyed the opportunity to catch up on news.

**Saturday, March 2<sup>nd</sup> at 9:00 am:** club members will help set up for the 50<sup>th</sup> Annual Rocky Manginelli Memorial Swap Meet held at the Event Center on 84<sup>th</sup> Street. The club will have a booth for individuals to sell their own goodies if you help man the booth.

**At 4:30 pm** the same day, club members will meet for dinner at the Trackside Bar in Waverly. The restaurant is located at 13901 Guildford Street. Take Cornhusker Highway into Waverly and turn right at the Cenex station onto Guildford Street and follow into the shopping center. The Trackside serves plain, good American food, see menu at <https://www.menupix.com/lincoln/restaurants/425822/Trackside-Bar-Waverly-NE>. The acoustics are decent so you should be able to visit with friends. Keno is also available for those who would like to part with your money or maybe increase your fortune.
